

TRUSTED KIDS

For the last three years, South Hornby School has been developing a concept called a Trusted Kid. This Trusted Kid concept is linked in with the values of South Hornby School.

These values are:

Initiative

- I am self Motivated.
- I can solve problems.

Integrity & Honesty

- I take responsibility for my words and actions.
- I know that honesty is telling the truth.
- I can be counted on and I can be depended on.

Excellence

- I complete challenges to the best of my ability.
- I make thoughtful decisions about my behaviour, my friends and my learning.
- I always do my B.E.S.T (Better Every Single Time).

Love of Learning

- I look for ways to make learning as enjoyable as possible and celebrate our achievements.
- I am excited about learning today and leading tomorrow.
- I have enthusiasm for problem solving, taking the next step in my thinking and taking charge of my own learning.

Respect

- I respect my elders.
- I look after myself and my belongings.
- I am polite and I can use my manners.
- We celebrate our uniqueness and individuality.
- I respect the rights of others; we have the right to learn and help others to learn.
- I am proud of our school.

Once a child is showing these values their peers will sign them off followed by their teacher. If a child gets a value signed off by their teacher they then earn a Values Tag (Kindly donated by Linda Rogers from Ray White Real Estate) that goes onto a Lanyard (Kindly donated by Ray White Real Estate) so that the child can be proud of the fact they are a step closer to being a Trusted Kid.

Once the child has all five Values Tags and the Leadership Tag they are then nominated to the rest of the Teachers and a decision is made about their suitability based on a display of their values and leadership skills outside of the classroom.

If the child becomes a Trusted Kid then they receive a Trusted Kids Badge (kindly donated by Ray White Real Estate). They then have extra privileges and responsibilities around the school. The Trusted Kids Status is very much sought after and has really lifted the expectations of the children at South Hornby School.
